Craft Fair Rules and Regulations

1. All vendors must be set up by 9:15 AM. No exceptions. Food is available all day.
2. Most items must be handcrafted or locally grown.
3. No tacks, pins, or staples in the walls or tables. Cover the table with a cloth so the front is skirted.
4. Your display must not interfere with other craftspersons or obstruct the aisles. All display shelves must be no higher than 30 inches (76 cm). No attachments on the ends of tables.
5. Check with us at the time of booking about your special requests. Wall space, end of row positions, and the number of electrical outlets is limited.
6. No sharing of tables unless you have booked the space in both names. This allows us to be fair with all our craftspersons and allocate space in booking order.
7. Keep your area clean.
8. ***Do not pack up before the end of the fair.***
9. There is limited height restriction against the wall. Again no shelves are permitted at the ends of tables.
10. All rental fees must be paid before the fair. Your space is not considered to be reserved until we have received payment. Don't send post-dated cheques as they will not be considered as payment until we can cash them. Payment should arrive 60 days before the fair.
11. *Fees:* Spring and Fall craft fairs are \$20 per space inside and outside. Christmas is \$30 per space. Tables are
 1. included in the prices of inside spaces. Electricity is \$2 extra. Tables are 8 feet (2.44m) long and outside space is 12 feet by 12 feet (3.67m by 3.67m). If you need a table for an outside space they are available for \$5 each.
12. All vendor vehicles must registered and must be parked in the area designated for vendors. We want to keep the parking space near the hall free for your customers.
